SNOW PUSHER UHMW

The UHMW material is the highest wearing, impact resistant, cold weather adaptable material available. Easily push any type of snow with its non-stick blade surface. Perfect for ice rinks, sidewalks, driveways, decks, and steps. Equipped with a fibreglass handle and a strong power-D Grip. When the snow comes, it's important to have the right tools available.

Features:

- One time installation lock system saves time and provides protection against break-in by saws, pry bars and bolt cutters (locks not included)
- 1/4 inch thick solid lock tangs provide pry bar resistance
- Staked and welded hinge
- Heavy-duty 16-gauge steel construction with fully arc-welded seams
- Powder coat finish for maximum corrosion protection and long-lasting durability
- Solid, 1-piece, 7-gauge steel skids offer a wide base for greater strength and stability

GOLD SERIES ANNULAR CUTTER SET 7PC

Annular cutters are the industry standard for hole-making in heavy duty applications. More precise than twist drills, these cutters can increase your cutting speed by up to 3 times over conventional methods, and leave a reamed quality, burr free hole.
